SANITARY

PROCEEDINGS OF THE CENTRAL SANITARY BOARD IN MYSORE.

Read docket No. 1961, Ml. 97-10-2, dated the 27th August 1910, from the Secretary to the Government of Mysore, General and Revenue Departments, Bangalore, forwarding estimate amounting to Rs. 1,521 for the improvement of the slaughterhouse in Mandi Mohalla, Mysore City, for the opinion of the Board.

2. Correspondence ending with letter No. 346, dated the 20th May 1911, from the Sanitary Engineer, Sanitary Division, suggesting the construction of a new slaughterhouse altogether, in preference to improving the existing one, as this would be more in keeping with the general improvement scheme that is being carried out by the Trust Board, and forwarding plan and estimates for a new slaughterhouse amounting to Rs. 15,655.

Resolution No. 1, *dated Bangalore the* 4*th July* 1911.

The Board learn that the existing building would be serviceable provided the improvements proposed are carried out and accordingly resolve that the estimate for Rs. 1,521 be approved. It does not seem to the Board that there is any urgent necessity for the adoption of the alternative design for a new slaughter-yard.

2. A few more water taps should be erected at the place to permit of better washing of the premises.
